## How to Help

### Donate to a Refugee Family

Resettled refugee families often arrive in the U.S. with little to no money, assets, or resources. Help us get them started on the right foot!

### Spread the Word

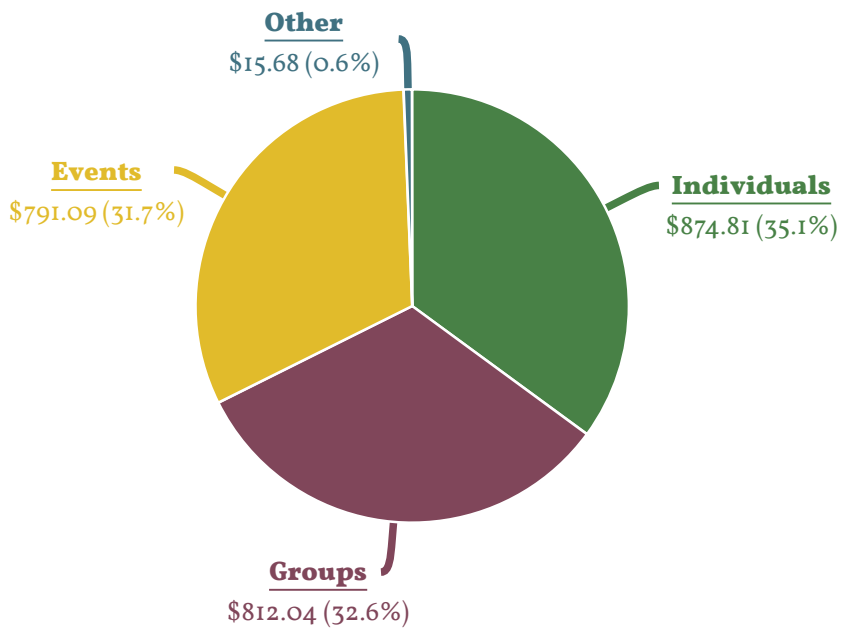

We urge you to continue to make Champaign-Urbana a welcoming and compassionate community and speak out against fear, bigotry, and hatred. Where there is suffering, there should never be silence.

### Give Items

Donations of clothes, school supplies, and household items are a vital part of our mission and can immediately impact the lives of resettled refugees.

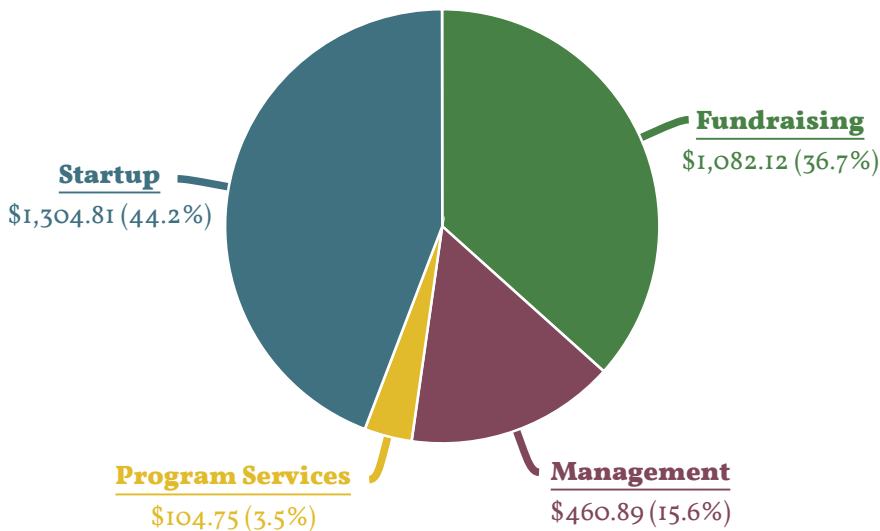

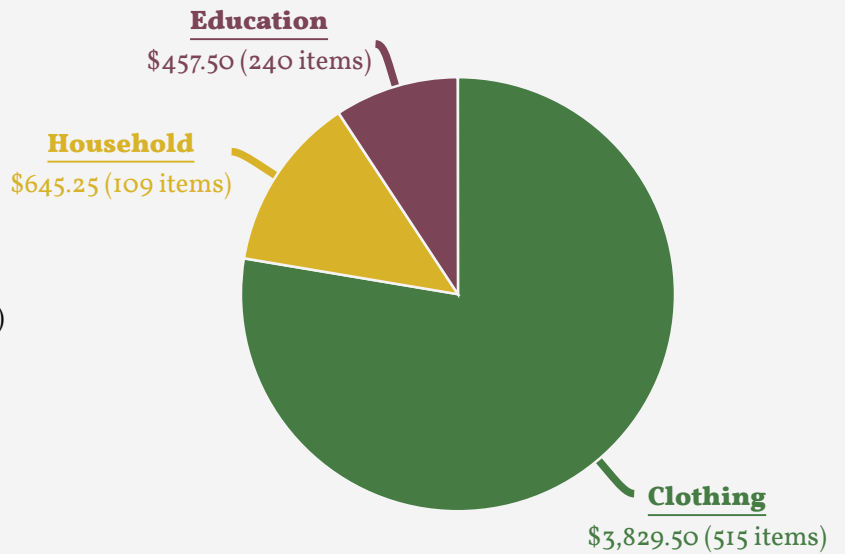

### Volunteer

There are a number of ways to get involved in the refugee crisis, and we welcome any and all volunteers that are willing to lend their efforts in any capacity.
